How to Properly Sort and Disnose Garbage and Recyclable Resou

Please help to keep garbage collection and recyclable resource sites clean by following the rules for sorting and disposing of garbage and recyclable resources properly. Out of consideration for those living near the collection sites, please do not litter these designated areas with garbage or recyclable resources.

For details on how to dispose of recyclable resources and garbage, please check here.

Note: Recyclable resources are also collected at supermarkets and public facilities.

Please see the attached Recyclable Resources and Garbage Collection Schedule and write the schedule for your area in the spaces above.

- Please take your garbage and recyclable resources to the designated site by 8 a.m. on collection day. Garbage and recyclable resources are also collected on national holidays. For combustible garbage at early-morning collection areas (such as some areas near Sangenjaya Station and Shimo-kitazawa Station), please take it to the designated site by 7 a.m. on the designated collection day.
- For collection of garbage and recyclable resources during year-end/New Year holidays, please see the collection calendar posted on the city's website.
- For inquiries concerning collection sites for garbage and recyclable resources, please ask your local Waste Collection Office.
- Since the collection day for recyclable resources conducted by collection groups is different, please take your items to the designated location on the group collection day.

Detailed Instructions on How to Sort and Dispose of Garbage and Recyclable Resources

- Please take garbage and recyclable resources to the designated site by 8 a.m. (7 a.m. in some areas) on collection day. Garbage and recyclable resources are also collected on national holidays.
- Please DO NOT dispose of garbage or put out recyclable resources the day before a collection day. Doing so detracts from the beauty of the area, and crows may target the garbage.
- Fees are charged if you dispose of large amounts of garbage (about four 45-liter bags or more) or dispose of garbage outside of the collection day. Contact your local Waste Collection Office for more information about dates, times and fees.

Note: It may not be possible to handle items during busy seasons, such as the yearend/New Year's period.

The collection days for recyclable resources, plastic bottles, combustible garbage, and noncombustible garbage vary depending on the area where you live. Please check the Recyclable Resources and Garbage Collection Schedule insert and write the schedule for your area in the blank spaces.

Please put recyclable resources outside and DO NOT put them inside garbage containers or garbage storage boxes.
