■Legend

Symbol	Item	Location	
	Evacuation areas	Large parks, university campuses, etc.	These are places to evacuate to in the event that your home and temporary gathering locations (school athletic fields, parks, shrine grounds, open spaces, etc.) are unsafe due to the spread of fires or other similar circumstances.
	Evacuation Center	Municipal elementary and junior high schools	If it is difficult to remain in your home or if you are at risk of a secondary disaster, you can go to one of these places for temporary shelter. The shelters have emergency water supply materials and equipment, and water storage tanks with taps.
	Water supply bases	Water purification plants, water supply stations, and emergency water tanks	These places distribute drinking water during emergencies.
	City Hall		
	Sogo Shicho (District Administration Offices)		
	Machizukuri Centers (Community Development Branch Offices)		
	Police stations		
	Police boxes		
	Fire stations		
	Accessibility places		
	Parks
